Help America Vote Act (HAVA)

HAVA, the Help America Vote Act of 2002, sets the rules for voting systems in federal elections. These rules include making sure voting systems are accessible for voters with disabilities. **Accessible** means that the voting system is easy to use privately and independently.

*42 USC § 15301, et seq.*
NOT EVERYONE CAN VOTE PRIVATELY AND INDEPENDENTLY BY MAIL

EVERY VOTER HAS THE RIGHT TO A PRIVATE AND INDEPENDENT BALLOT!
The California Constitution says voting must be done in secret.

*California Constitution, Art. II § 7.*
EVERY VOTER HAS THE RIGHT TO A BALLOT WHICH IS ACCESSIBLE TO THEM!
WHAT IS ACCESSIBLE?

Department of justice sets standards for

- Accessibility
- Path of Travel
- Slope of Entry
- Accessible Parking, etc.

EVERY VOTER HAS THE RIGHT TO VOTE INDEPENDENTLY!
ASSISTING VOTERS WITH DISABILITIES

Voters with disabilities may have anybody to assist them with voting, except for their employer, an agent for their employer, a member of their union. California Elections Code Sec. 14282(a).

A voter with disabilities may have no more than two persons assist him or her to vote (including poll worker).

A person assisting a person with disabilities to vote must keep all information about the person’s choices confidential.
ASSISTING VOTERS WITH DISABILITIES IS NOT A SUBSTITUTE FOR HAVING AN ACCESSIBLE VOTING SYSTEM.
CURBSIDE VOTING

If a polling place is not accessible to people with disabilities:

• A poll worker must bring a regular ballot to a person with disabilities outside of the polling place (e.g., parking lot or sidewalk).

• If it is impractical to bring the ballot to the person with disabilities, the poll worker must bring a vote by mail ballot to the person with disabilities.

California Elections Code Sec. 14282(c).
During the November 4, 2014 Election, Disability Rights California Hotline had ten phone calls; six of which were concerned with the accessible voting system not being placed so as to insure a private and independent ballot.
What is a VAAC?

A Voting Accessibility Advisory Committee
What does a VAAC do?

A local VAAC can benefit your county in many ways, including providing a forum for the disability and senior communities in your county to voice their concerns and provide input and opportunities for collaboration and outreach in your community.
